

Call for Proposals: StatPhys30 (2028)

The C3 Commission of the International Union of Pure and Applied Physics (IUPAP) invites proposals to host **StatPhys30**, the 30th edition of the triennial flagship conference in statistical physics, to be held in 2028.

Following **StatPhys27** in Buenos Aires and **StatPhys28** in Tokyo, **StatPhys29** will take place in Florence, Italy, from **July 13–19, 2025**. The C3 Commission values geographical and cultural diversity in the selection of conference venues and encourages proposals that reflect this principle.

Proposals should include the following:

- Details of the planned organizing committee and the local scientific community
- Proposed dates and location of the conference
- Accessibility of the venue and available facilities
- A preliminary budget and financial plan
- An estimate of the number and scope of potential satellite meetings

Please submit your proposal to **c3commission2527@gmail.com** by **June 8, 2025**. The proposals will be presented by the proposers preferably in person at the **C3 Commission meeting during StatPhys29**, where the final decision will be made and announced.
